

Whales 2008.

There were two Whales trips, the first starting on Feb 5 and the second on Mar 13. With over 70 aircraft with about 200 persons most who got to touch, feel, and pet a whale. And, there was more. Dinners downtown, the street party, loading fuel at the airport, many drink tickets, the pig roast at the Serenidad, and, the Pacifico Girls.... Whales 2008. a triple hoot.
